- Preparation of Detailed Project Report for SEED money
- Provide technology and infrastructure to gestate ideas
- Guide through the process of IPR process and protection guidance
- Training programs to nurture the mindset of creating jobs
- Provide comprehensive information resource to enrich inputs for product and market
- Develop Projected Financial Statements with Cash Flows and Overall Profitability

Activities under the Innovation Cell, SVPEC:

Having innovation council in college is a great initiative to foster creativity, collaboration, and problem-solving among students. These councils typically provide a platform for students to explore innovative ideas, develop project, and participate in competitions or workshops related to innovation and entrepreneurship. They can be instrumental in promoting a culture of innovation on campus and preparing students for real-world challenges.
