PROJECTORS IN CLASSROOMS

This is to certify that Sanketika Vidya Parishad Engineering College Supplements projectors in classroom for the purpose of E-learning

In order to promote E-learning among the students and faculty, the college has also established an Audio & Visual centre to complete the availability of all facilities required to produce and project E-content. This facility has an exclusive projector, TV, Audio systems and computers with internet facility for browsing e-content. This centre has also become a favorable seat of learning for the students and faculty who are in the pursuit of enriching their knowledge. The centre is a supplement but cannot be a substitute to age old practice of classroom teaching.
