STUDENTMOOCS PROGRAM

As we are under Andhra University affiliation, AU has provided MOOCS courses for free & made it mandatory for our students from the weblink <https://www.auonline.in/free-course>. In line with our social mission, we are offering ANDHRA UNIVERSITY MOOCS COURSES to every learner or student or working professional who seeks such assistance. All that is required is to select the required course and register for the same. After registration to ANDHRA UNIVERSITY MOOC courses (Refer the course list while registering)

The students can access various learning resources through the learning managements system as part of a self-paced learning. Students successfully completing the course based on assessment and evaluation, will be given a certificate of completion. The credits assigned to the course can be utilized by the student if he/she registers for any other program in future with Andhra University; subject to university approval. Students are also open to register for multiple courses at one time.
