## Waste Management and environment improvement measures to ensure a sustainable Green Campus

The campus focuses on preserving natural resources to ensure a sustainable Green environment. The institution is surrounded by lush flora and fauna.

### Waste management

- Dustbins are placed at every corner of the floors and campus.
- Separate dry and wet dustbins are also adapted to the college campus.

### E-waste management

- E-waste from labs is properly collected and is given to the licensed recycler, reused wherever possible, donated and sold if possible.
- Non-working computers, monitors and printers are discarded and scrapped on a systematic basis.
- E-waste collected from labs is reused and recycled to the maximum.

### Green Initiatives

- Tree planting is carried out regularly
- The campus is almost free of plastic.
- Paperless communication (E-Mail) is a regular practice

The above-mentioned points pictures and documents are enclosed and attached to the file.
