Activities under the Innovation Cell, SVPEC:

The institute has also signed a MOU with BEYOND Learn Solutions Services to foster the spirit of entrepreneurship with social inclusiveness. The students are motivated to start their own ventures in the areas of Smart living and Smart Health projects, E-Agriculture and Rural Health, E-Call centers and creating Self-Help Groups for rural economic development. The institute also arranges workshops and guest lecturers of young and successful entrepreneurs to be role models and an inspiration for students who have dreams and the courage to take risks.
