INTERNSHIP SHALL BE MADE COMPULSORY FOR ALL FINAL YEAR STUDENTS OF APPROVED INSTITUTES/ UNIVERSITIES

Internships have been mandated to ensure that technical students get exposure to the industrial environment, current technology relevant to their subjects and opportunities to learn, understand and sharpen real-time technical and managerial skills. Internships are also expected to help create conditions conducive to the quest for knowledge and its applicability in work.

It should arrange internships for students in industries or relevant organizations after the seventh semester for final year students, or according to guidelines of the AICTE/affiliating University.

Benefits to Students:

- An opportunity to get hired by the Industry/ organization.
- Practical experience in an organizational setting.
- Opportunity to practice communication and teamwork skills.
- Enhances their candidacy for higher education.
- Creating network and social circle and developing relationships with industry people.

Benefits to the Institute:

- Build industrial relations.
- Improve institutional credibility & branding.
- Helps in retention of the students.
- Improvement in teaching learning process.
