

Association of Mutual Funds in India (AMFI), an apex body of mutual funds in India, has been organising investor awareness programs across country **under the mandate of SEBI**, but in view of the current scenario, AMFI has been organising **webinars** in association of leading institutions /organisations /universities/educational institutions. SEBI officer also join in such national webinars.

AMFI has recently **organised more than 300 webinars (since May 2020)** in association with leading central universities including Banaras Hindu Vishwavidhalaya (BHU), Bikaner Technical University, Maharaja Ganga Singh University, Bikaner, Aligarh Muslim University (AMU), Gurunanak Dev University, Amritsar, Kashmir University, Srinagar, J&K, Jagan Natth University, Haryana, Amity University, Noida, Nirma University Ahmedabad, Motherhood University, Utrakhnad, PHD chambers of Commerce, Uttar Pradesh, Utrakhnad Shishak Manasangh, Manav Rachna International University, Haryana, Maulana Azad National Urdu University Hyderabad, SAGE University Indore, Uttaranchal University, Jain deemed university, Bangalore, a number of universities and colleges in Telangana and Andhra Pradesh, Banasthali Vidyapeeth, Rajasthan, Nirma University, Ahmedabad, Pragyan International University, Chhattisgarh, *Army Institute of Management, Kolkata and Institute of Law*, University of Madras, Kanya Mahavidhyalaya, Jalandhar (Punjab), University of Ladakh, a **number of leading Management Institutes across country**, Lucknow Management Association, Haryana Institute of Public Administration (HIPA), Haryana Commerce and Management Association, Manonmaniam Sundaranar University Tirunelveli, Tamilnadu, Government colleges in Shopian, Uttersoo-Shangus (Anantnag), Dooru, Umeed-Anantnag, NYK Kupwada etc.. and other leading educational and professional institutions. Apart from this a number of such programs have been organised with corporates, start-ups, NGOs etc.

These are product neutral investor awareness program and in such webinars, sharing of basic knowledge about savings, conversion of savings into investments, investment matrix, importance of wealth creation, recognised products of investments including mutual fund and dos and donot while investing etc. is covered. **The proposed webinar would focus on managing personal finance at this crucial time and also for time to come.**

It is also relevant here to mention that most of our recent webinars with leading educational and professional institutions have got tremendous response and more than 1000 registrations were in place in most of such webinars. We strongly feel that it can easily be achieved if you widely circulate the registration form and flyer amongst potential participants and upload on the website, Facebook page etc. of the College and circulate the registration form with flyer amongst affiliated educational/professional institutions.

It is further relevant to mention here that all costs of the program including that of app, flyer, registration form, issuance of participation certificates and related logistics would be borne by AMFI.

We propose this webinar on January/February, 2022, as per mutually time. Webinar will normally be of two hours and there would be a question answer session after the session of speaker.

A line of timely confirmation would give mutual comfort to organise grand webinar with your esteemed institution.

COMPLETION CERTIFICATE

We are glad to thank Association of Mutual Funds in India (AMFI) for organizing 'AN INVESTOR AWARENESS PROGRAM' in association with the Department of Mechanical Engineering, Sanketika Vidya Parishad Engineering College (SVPEC) on 7th February, 2022 at 3PM. This webinar was organised through Online Mode in Zoom with Youtube Streaming on the topic 'Financial Empowerment through Wealth Creation'. Shri Surya Kanth Sharma, Senior Consultant AMFI (Former DGM, SEBI), keynote speaker provided insightful thoughts over the topic.

Dr. N.C.Anil, Convener(Principal - SVPEC), Shri. S.Rahul Alwardas, Patron (Executive Director, Alwardas Group), R.S. Kiran, Program Coordinator (Assistant Professor Mechanical) successfully completed the session with more than 400+ participants. The program was attended by the faculty, staff & students of various institutions besides large number of participants from other industries too. Looking for a long term relation with AMFI where we can find synergy.
