

7.2.1 Best Practices:

Sanketika Vidya Parishad gives much importance for the overall development of the students as well as its faculty members. By keeping in view the vision and mission of the Institution, the best practices are laid down for better academic and administrative functioning of the college.

Best Practice – 1

Faculty members and students involvement in emancipation of Social Responsibility

GOALS:

To develop moral and ethical values among faculty members and students.

To assimilate education among students for the upliftment of the society and community.

To inspire students for the development of educationally deprived community.

To develop passion among students and faculty members about their social responsibilities.

To create harmony and peace among the staff members and students.

THE CONTEXT:

To develop society, the institute has decided to create engineers having social, ethical and moral values.

The present urge of the society is to develop budding engineers having research mindset, ethical values and entrepreneurship skill.

The young generation is very capricious and it is necessary to bring awareness among them regarding their social responsibilities.

The research work carried out by the students and faculty members should be aimed towards the benefit of the society.

THE PRACTICE:

Sanketika constantly striving to create awareness among students and staff members by following the Practices mentioned below:

1. Institute conducts the programmes through National Service Scheme.
2. Institute conducts the programmes on stress management
3. It also arranges the visit of faculty members and students to the rural areas to make the students be aware of the social and rural conditions and problems sustaining.
4. Institute understands the importance of learning the life skills and organizes cultural ,co curricular programmes, tours and visits.
5. It encourages both Faculty members and students to attend seminars and conferences to develop interpersonal skills, decision making and value inculcation.

6. Institute gives priority and concession in tuition fee to economically weaker students on case to case bases. Institute follows code of conduct towards staff and students.
7. Institute arranges the special social activities to maintain good social environment in the campus.
8. Institute provides information about government aids, scholarships etc.,
9. Institute provides partial / full concession in fees to few deserving candidates.
10. Institute conducts the Blood Donation Camps ,Health Check Up Camp and Eyes Screening camps etc.,
11. Institute does the survey on the needs of the society and accordingly organize the activities.
12. NSS unit finds the needs of the society and makes the students to work in the related areas.
13. The students play major role in the events like annual day, Sports day , Engineer's Day , Tech fests etc., which are being organized by the college and inculcate the qualities of co-operation, co-ordination and team work.
14. Personality Development Programmes and seminars are being conducted from the first year to improve communication skills & Soft skills of the students.
15. The institute encourages the students in organizing various co-curricular and extra-curricular activities through student initiated clubs for enabling all round development of the students.

EVIDENCE OF SUCCESS:

1. NSS activities give the social ethical awareness to the students and develop a bonding among them to support the society.
2. Reservation in admissions & scholarships are provided as per the government norms to SC/ST/OBC and Minority students.
3. By organizing health camps, blood donation camps etc., community activities are promoted in the neighborhood of the institution.
4. Our Institute provides monetary benefits to the weaker section of the society for their minimum requirements.
5. We organize workshops on Stress free Life by the selected resource persons.
6. Mass plantation was organized by the students to improve greenery in the campus.

PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED:

1. Visiting the villages and convincing them that the institute is working for their betterment is a broad-shouldered task.
2. It brings upon lots of expenditure thus more budget provision needs to be made for carrying out the work.
3. As this is an affiliated institution, the curriculum limits the social activities to some extent.
