We adopt the curriculum overview provided by the Andhra University. Depending on our resource potentiality, institutional goals and concern towards the students, we impart quality education.

The institution has developed a structured and effective implementation of the curriculum. Following are the various means through which it executes the curriculum.

Academic Calendar is prepared as per the Andhra University academic schedule and the requirements at the department level as per the action plans formed.

A Lesson plan includes course outcomes, course objectives, content topics, reference books and the expected outcomes from the students by learning through the topics prepared by respective faculty members at the beginning of each semester. It gives an insight how the lecture class will be handled throughout the semester.

Each department sets their own Vision and Mission which match with the Institutional Vision and Mission. Program Educational Objectives (PEO) and Program Outcomes (PO) are developed for each program and Course Objectives (CO) and course outcomes are defined for each course (theory and lab).

1.3.1 Institution integrates cross –cutting issues relevant to Gender, Environmental sustainability, Human Values and Professional Ethics into the curriculum

The cross –cutting issues like Gender, Environmental sustainability, Human Values and Professional Ethics etc., find an ample space when it comes to applying them positively into the curriculum. We believe in maintaining healthy environment for all its students. The curriculum is designed by the university itself does include many of these aspects such as the subjects namely Professional Ethics and Moral Values in the I Year and Environmental Studies in II Year.

There are various committees which take care of the students such as:
