College creates a platform for the active participation of the students in the various academic & administrative bodies including other activities. This empowers the students in gaining leadership qualities, rules, regulations and execution skills.

#### **Its selection, constitution, activities and funding:**

- Each council has a representative council, which is called Class Committee and includes student members too.
- The student members bring forward the views and suggestions of the entire class with respect to the faculty, subjects, syllabus and other things related to the class.
- The composition of student members is of one topper, one average and one slow learner (the one who has more integrity with other students) of each section are nominated as class representatives, for all the sections from I Year to Final Year.
