9	Mr. G.Manoj Kumar	Member	Assistant Professor - MCA
10	Mr. R.S.Kiran	Member	Assistant Professor - MECH

Student Members

REGD NO	STUDENT	DEPT
322132908041	Rayapureddy.Naga Ajay (3.1 Student)	CIVIL
226D1A0506	B.Ganesh (3.1 Student)	CSE
322132912020	G.Thanuja (3.1 Student)	ECE
322132914045	S.Pujitha (3.1 Student)	EEE
123232902066	Ch.S. Shyam Madhav (2.1 Student)	MBA
323232960076	B.Adarsh (2.1 Student)	MCA
322132920034	N.Venkatesh (3.1 Student)	MECH

Objectives of the Cell:

1. To bridge the gap between industry expectations and academic offerings.
2. To provide industry exposure to students and faculty through training programs, internships, and industrial visits.
3. To promote collaborative research and consultancy projects with industry partners.
4. To identify and address the skill development needs of students to enhance employability.
5. To facilitate Memoranda of Understanding (MoUs) with industries for knowledge sharing and resource exchange.

Functions of the Cell:

PRINCIPAL
Sanketika Vidya Parishad
Engineering College
PM Palem, Visakhapatnam

- To develop close links between Industry-Institute by interaction programs.
- To sign MoU's with leading organizations and reputed companies.
- To identify the present and future requirements for professionals (engineers/ technologists/ managers) and meeting the human resource needs of the industry.
- To organize seminars, symposia, exhibitions and workshops.
- To collaborate with other societies (National and International) having similar objectives.
- To promote and develop Industry research in all Departments and development organizations.

Roles and Responsibilities:

1. Organize industrial visits, internships, and guest lectures by industry experts.
2. Facilitate student and faculty participation in workshops, training programs, and certification courses offered by industry.
3. Initiate research collaborations, consultancy projects, and technical competitions with industry partners.
4. Monitor the execution of signed MoUs and track outcomes.
5. Conduct periodic meetings to discuss progress, plan activities, and evaluate the impact of industry-institute collaborations.
6. Submit annual reports to the management detailing the achievements and future goals of the IIC.

Tenure of the Cell:

The Institution-Industry Cell will function for a period of one year, subject to review and renewal based on performance and outcomes.

This constitution comes into immediate effect.
